Spokane and Proctor Knott Sell Even in the Great American Derby.

California Well Represented in the Event Which is Attracting Much Attention.

Horses Are Doing The

makers quotations are: Spokane, 6; Proc- Joseph, is at the Cosmopolitan.

20; Sorrento, 10; Don Jose, 12

The great American Derby is a sweep-stakes for 3-year-olds (foals of 1886), at \$250 each, \$100 forfeit, or only \$20 if declared out on or before Feb. 1, or \$40 April 1, \$389. All declarations yold unless accompanied with the money, with \$7,500 added, the second to receive \$1,000 and the third \$500 out of the stakes. A winner of any 3-year old stakes. A winner of any 3-year old stakes. A winner of the second to receive \$1,000 and the third \$500 out of the stakes. A winner of any 3-year old stake race of the value of \$2,000 out of the Flower Garden. \$500 out of the stakes. A winner of any 3-year old stake race of the value of \$2,000 to carry three pounds; if three or more 3-year-old races of any value, five pounds. Distance one and one-half miles.

In view of the fact that Spokane won the

Derby, his weight for the Chicago event will be 121 pounds up, while Proctor Knott. will be 121 pounds up, while Proctor Knott, who is a gelding, will only carry 115 pounds. Of course Montanians will back Spokane, and if they lose it will not be for lack of judgment. They will have the consolation of knowing it is a good bet they lose. To-day Spokane is a better horse than Proctor Knott. He beat the latter on a good track and beat him on a bad track at a greater distance. In the bad track at a greater distance. In the first race Sam Bryant claims that Proctor was poorly ridden and that in the second race his horse was sick, still the fact re-mains that Spokane beat him and is there-fore the better horse. Sam Bryant still fore the better horse. Sam Bryant still claims that he will not only win the Chieago Derby but that he will break the record, and to this end the illustrious son of Luke Blackburn is being handled with the utmost care. It will be a battle of the giants over again and the renowned Procto may yet cover himself with glory. California in the last six or seven years has carried off the Chicago trophy and that she will make a great effort for it with a good promise if success is certain. Winters the owner of The Czar, deceased, has Don Jose, a very likely horse, while Haggin has Salvator, Hearst enters Floot Tide, and D. J. McCarthy, of the golden state, will start.

McCarthy, of the golden state, will start Sorrento. But to-day Spokane has the ad-vantage of all of them and his weight pen-Sorrento. But to-day Spokane has the advantage of all of them and his weight penalty is looked upon as a triling matter. The noble son of the Bunch Grass state will have many warm backers, if he do not poke his nose under the string in 2:34 or force some other horse to do it in a second less than the best record. French Park is not to be set aside. He is being quietly trained on a private course, and it would not be a surprise to see him capture the prize. Nobody knows symat he is doing, but it is given out that he shows great speed. The Chicago Derby will be worth about \$17,000 to the first horse.

Of all the stables at the Helena fair grounds Kirkendall & Lafferty's string of trotters are the finest looking lot of animals ever seen in Helena. They have not been put to work yet, but Mr. Lafferty proposes to start in early this week. The horses wintered well at Walla Walla and look as fine as silk, are well seasoned and in fit condition for lively work.

Review: The management of the Ana-Review: The management of the Ana-conka Racing association have been con-tinuing the improvements at the grounds the past two weeks. A contract has been let to Ben Mahan for an addition of forty feet to the grand stand. A contract has also been let for seventy-three new stalls, which will give the association 203 stalls in ll. A new boarding house will also be built and six mess houses. It is the deter-mination of the association that everything connected with the grounds at Anaconna shall be second to none. A new water ank has been ordered, the track has been widened fifteen feet at the grand stand. reat pains has been taken to place the track in first class order, and it is now pro-nounced the finest in the west.
